Each purchase of fund shares will be made at public offering price applicable to a single transaction of the dollar amount checked above, as described in the Fund's prospectus.

I am not committed to purchase additional shares, but if purchases within thirteen months from this date do not aggregate to the sum specified above, I will pay the increased amount of sales charge based on the total level of investment actually made. Please note that a percentage of shares, representing the difference between the sales price and LOI, will be held in escrow and redeemed to pay higher applicable sales load if the LOI commitment is not met within the time period.

The shareowner must specifically refer to this Letter of Intent upon placing any future purchases that are to be included under this agreement.
